CUPPING NOTES

CHERRY

JASMINE

GRAPE

Enjoy the concord grape, jasmine and lilac notes in this washed gem!

Nicolas & Angela

Nicolas & Angela wow us constantly with their coffee. In fact, their coffee stands out on just about any cupping table, as a washed, honey or natural process.

Nicolas is the huggable grandfather you wish you had and Angela always has a welcoming smile. They have several kids and 12 grandchildren!

Nicolas & Angela are handing off their farm to one of their daughters, Mireya, in a multi-year transition towards retirement.
